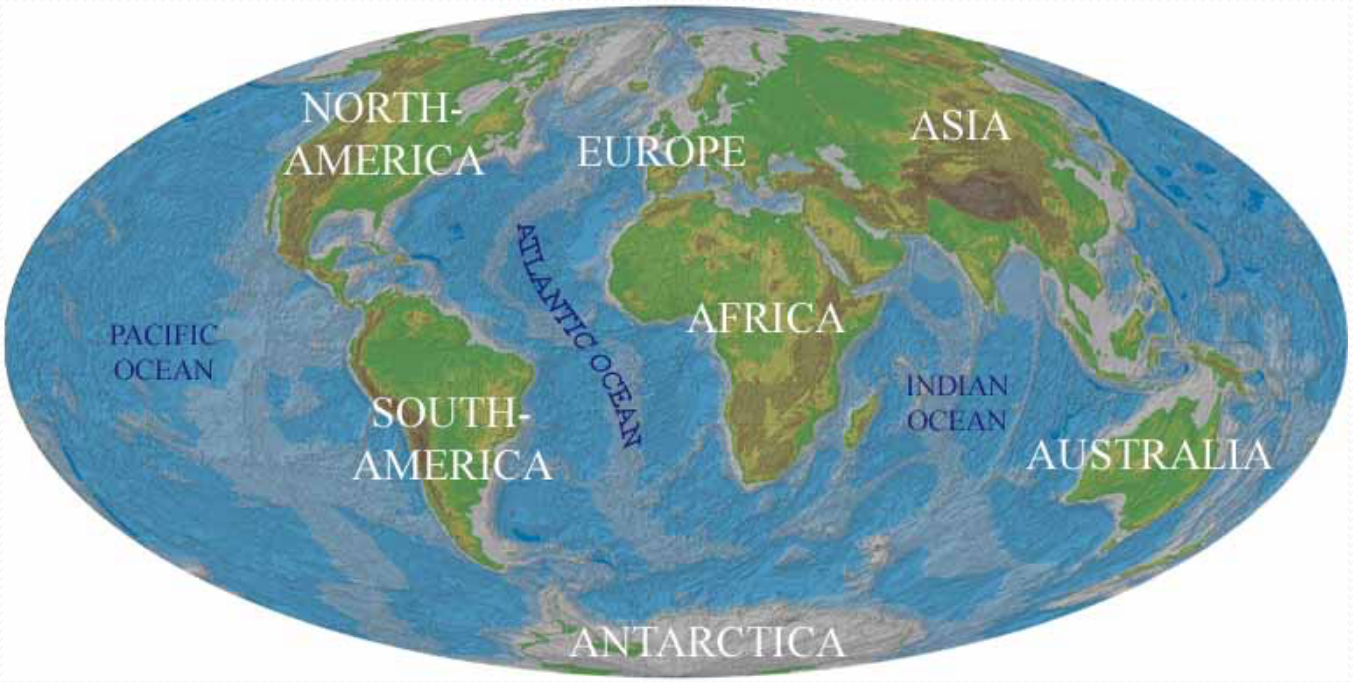
Welcome to A Level Geography



The Format of the AQA A-Level Geography Course

The course will consist of 3 parts

- Physical Exam 40% - (Water and Carbon cycles, Coasts, Hazards)
- Human Exam 40% - (Changing Places, Global systems & Governance, Population & the environment)
- Non-examination Assessment (NEA) 20%– This is an independent study/coursework that you complete. It can be on any aspect of Geography as long as it links to the Specification

How will the 2 years look like

Year	Winter Term	Spring Term	Summer Term	Summer Term
1	Changing Places	Water and Carbon Cycles	Global Systems and global governance	Coasts
2	Coasts/ Population and environment	Hazards	Revision	

Main body of the Lesson

This will vary depending on topic

- Keyword definitions
- Case study research
- Group work
- Textbook reading
- Reading journals/articles
- Preparing presentations
- Watching animations/ films
- Exam Questions

How will this help me?

- The study of A-Level Geography can help you to:
- Gain a knowledge of your world and an understanding of current events
- Appreciate different cultures in this country and in other parts of the world
- Explore physical (natural) and human environments. And how we effect each other
- Develop a range of useful skills. These include map reading, graph and diagram drawing and interpretation, problem solving, data collection, decision making and analysis. The use of ICT is also encouraged and developed, particularly during the Fieldwork Investigation
