Dear Parent/Carer

Landau Forte QEMS/Sixth Form are working towards no longer accepting cash or cheques for school trips, merchandise, transport and enrichment activities. You can make payments safely and securely online using ParentPay. Students will still be able to use the paypoints within the school to add money to their account for school meals, however, this will be the only form of cash the school will be accepting from August 2019.

About ParentPay

ParentPay offers you the freedom to make payments whenever and wherever you like 24 hours a day, 7 days a week – safe in the knowledge that the technology used is of the highest internet security available. All Parents/Carers are provided with a unique username and password for accessing the secure online account. Upon first login you will be prompted to change these details, and to keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account, you can make online payments straight away.

If you require any assistance with ParentPay please do not hesitate to email us at adminteam@lfatsf.org.uk.

Yours sincerely

L Harper
