Statement of Bullying

Landau Forte QEMS and Landau Forte Sixth Form is an Academy where each individual is entitled to and receives respect. The staff, governors, students and Parents/Carers will work together to create a climate of positive relationships, care and mutual respect, through all aspects of Academy life. This Academy is a place where every person has the right to be themselves and to be included in a safe and happy environment. Everyone at our Academy is equal and should be treated with respect.

Aims and Purposes of the Policy

Bullying of any kind is unacceptable and will not be tolerated. At our Academy the safety, welfare and well-being of all students and staff is a key priority. We take all incidences of bullying seriously and it is our duty as a whole Academy community to take measures to prevent and tackle any bullying, harassment or discrimination.

We actively promote the values of respect and equality and work to ensure that difference and diversity are celebrated across the whole Academy community. We want to enable our students to become responsible citizens and to prepare them for life in 21st century UK. These values reflect those that will be expected of our students and by society when they leave the Academy and enter the world of work or further study.

We are committed to improving our Academy's approach to tackling bullying by regularly monitoring, reviewing and assessing the impact of our preventative measures.

The policy will be reviewed by students through the student leadership team and bullying ambassadors and staff focus group annually. The policy is reviewed by the governors annually.

(1) Definitions

Bullying

Behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally' (DfE)

Bullying behaviour is usually characterised by its persistence (which means the victim is suffering ongoing hurtful behaviour from the bully); it is not usually a single or isolated incident where people who are usually friends have a disagreement or fall out.

Bullying happens in different ways including:

- Insulting comments or ridicule. These may be of a homophobic nature where a victim's real or perceived sexuality is subject to humiliation.
- Child on child abuse is not seen as banter or as a normal part of growing up.
- Verbal aggression (especially when coupled with bad language).
- Cyber abuse, including abuse or threats via the internet, chat rooms, email, mobile telephone calls or text and other associated technology, i.e. camera and video facilities
- Physical abuse
- Emotional Abuse
- Extortion
- Stealing or hiding possessions
- Sexual harassment/

Bullying can be based on any of the following things, including protected characteristics:

- Race (racist bullying)
- Religion or belief
- Gender
- Sexual orientation (homophobic or biphobic bullying)

- Gender identity or reassignment (transphobic bullying)
- Special Educational Needs (SEN) or disability
- Age
- Appearance or health conditions
- Culture or class
- Related to home or other personal situation

No form of bullying will be tolerated and all incidents will be taken seriously.

Racism

For racist behaviour, actions or language do not have to be persistent, single incidents can be racist in their nature. Racist behaviour may share the characteristics of bullying as outlined above. The behaviour will focus upon the differences between the person who is being racist and the victim, in respect of skin colour, ethnic origin or background and cultural or religious beliefs.

Procedures if these behaviours are taking place

(A) As a student:

1. TELL someone! E-mail safeguarding@ifatg.safeguarding.org.uk; Tell your Parents/Carers. In The Academy tell staff - your PT, HOY, Student Support Officer or anyone else you trust.
2. Avoid situations which put you at risk.
3. If you are in that situation, explain clearly and loudly that you don't like what is going on - walk away from the situation and call it out, get help!
4. DO NOT BLAME YOURSELF FOR WHAT IS HAPPENING.
5. If you see someone being treated in this way, do not join in, Call it out, TELL an adult what you have seen/heard.

(B) As a Parent/Carer

1. If you believe your son/daughter may be being bullied or abused talk to them calmly about what is happening and record what they say. Take note of **who** is involved, **when** it has occurred and **where it has taken place**. **Contact the Academy immediately and ask to speak to or see the student support officer or HOY. If the SSO is not available, ask to speak to a senior member of staff.**

2. Please reassure your son/daughter that they have not done anything wrong and that they shouldn't blame themselves.
3. Similarly, please do not encourage your son/daughter to hit back or retaliate - our experience shows that this behaviour does not improve the situation.
4. If the behaviour is only happening outside of Academy, it may be that you need to consider involving the Police, as well as informing the Academy.

(C) As a member of staff:

All incidents of Bullying and Racism will be dealt with within the Rewards and Actions to Improve Behaviour processes within Academy.

1. All members of staff need to respond to incidents of a bullying or racist nature, ensuring safety and support for all the students involved. Written accounts must be taken and recorded centrally on CPOMS. If staff cannot respond straightaway, they need to pass the matter on to their Behaviour Support Officer or DSL or Assistant Principal.
2. Parents/Carers should be involved ASAP and asked to come to Academy at the earliest possible opportunity.
3. The context and previous history will determine whether incidents are handled within Academy or by outside agencies including the Police.
4. Staff should ask for the appropriate level of support from the Senior Leadership Team after the initial disclosure.
5. Dependent on the level of intervention necessary to positively change behaviours, firstly mediation and then monitoring of the ongoing situation needs to take place from the perspective of both the victim and perpetrator with feedback to Parents/Carers.

(D) Senior Leadership Team:

The Senior Leadership Team and Principal have overall responsibility for ensuring that the anti-bullying policy is followed by all members of staff and that the Academy upholds its duty to promote the safety and well-being of all members of the Academy community. In addition to the pastoral team, the Assistant Principal responsible for Student Support is the leader responsible for this policy.

(E) Bullying outside of School:

The Education and Inspections Act 2006 gives Head teachers the power "to such an extent as is reasonable" to regulate the behaviour of students when they are off the Academy site. This includes bullying that happens anywhere off the Academy premises, for example on public transport or in a town centre. Academy staff can also choose to report bullying to the police.
