## Curriculum overview

Subject	subject	Year group	13
Vision statement:	<p>At Landau Forte our curriculum exists to ensure all students regardless of background and ability can unlock their potential. We are committed to students being challenged from their previous key stage learning experiences. Our broad and balanced curriculum is ambitious, coherently planned and sequenced, and will provide the platform for preparing students with the foundations for examination success.</p> <p>Our Curriculum Intent has been informed by a wide variety of researchers and is steeped in evidence-based research. Christine Counsell summarises the aspiration of our curriculum to empower all learners creating a pathway to success in university, their career and life:</p> <p>‘A curriculum exists to change the pupil, to give the pupil new power. One acid test for a curriculum is whether it enables even lower attaining or disadvantaged pupils to clamber into the discourse and practices of educated people, so that they gain powers of the powerful.’</p> <p>As well as excellent academic success we aim to ensure our students leave us as polite and well-rounded young adults. Our new core values of Compassion, Courage and Curiosity are currently being embedded throughout our curriculum offer to ensure we continue to meet our social, emotional, spiritual and moral obligations.</p>		
Curriculum intent:	<p>Must include school values (3Cs)</p> <p>Our vision for the Media Curriculum at Landau Forte is to prepare learners for the society we envision for tomorrow, to enable learners to become curious, intelligent consumers of the mass media. We aim to foster an understanding of the media’s power to influence, shape and define our concepts of identity, reality and social values. We want learners to be courageous in challenging aspects of media and take responsibility for their media consumption habits and help them understand the effects of their choices. We want our learners to use compassion to view aspects of media in the lens of others. Lastly, we aim to empower and inspire learners to express themselves through construction of creative, original and thought-provoking media products.</p>		
Threshold Concepts (TCs):	<p>Media, TV and Film Threshold Concepts</p> <p>TC1 - Demonstrate knowledge of different media sectors and products</p> <p>TC2 – Understand purposes of media products</p> <p>TC3 – Identify target audiences of media products</p> <p>TC4 – Understanding genre, narrative structures and representations within media products</p> <p>TC5 – understand the technical codes used within media products</p> <p>TC6 – To understand how elements within media products create meaning for audiences</p> <p>TC7 – The pre-production of media products</p> <p>TC8 – The production of media products</p>

Assessment:	Written assessment	Written assessment	Written assessment	Written assessment	Written assessment	Written assessment
Key/Historical misconceptions in this unit:	Genres have similar conventions	Media language does not create meaning.	Footage cannot be manipulated to create meaning	Media production projects are only accessible for well-known media companies.	Media is linked to the business world.	The importance of planning and logistics in media.
Sequencing:	We have chosen to sequence the year 13 curriculum like this because learners can get the key knowledge and apply this into written assessment prior it is experimented into their practical work. By the time learners have come to their practical assessment, they will have the knowledge and understanding of how media producers construct production in a particular way and this will allow them to make informed choices.					
Values	Curiosity: Exploration of media texts provided by exam board Compassion: Learning about different groups of people globally. Courage: problem solving through analysis					
National Curriculum plus:	In addition to teaching the statutory elements of the national curriculum, we also include key information on careers including exposure to media specific jobs and pathways into the media industry through Further Education, Apprenticeships, Higher Education and Employment.
